Yearbooks are now online!

In May, the Council Bluffs Library unveiled their new website. The site looks fantastic and offers a wonderful community resource. One of the highlights for the Alumni & Friends Network is that the Council Bluffs High School Yearbooks are now ONLINE! There are still some to be scanned, but quite a few are available for viewing,

including the Council Bluffs High School 1898 Annual. The Alumni & Friends Network assisted with the project to help scan the books and provide missing years in the collection as available. We are so excited to see it all come to life and so appreciative to the Library staff for their work to make it all happen.

Take time to look through annuals of yesteryear!

Support "The Promise of Iowa"

May 29-June 4th - CB Alumni & Friends Network encourages all our Alumni to participate with us in the The Promise of Iowa Campaign during the week leading up to the AL and TJ Graduation Ceremonies.

Iowa's #1 graduation rate comes to life in May, when all of the hard work and dedication from students, educators, parents, district staff and school boards comes to culmination in one important day-- commencement. The Iowa Association of School Boards launched "The Promise of Iowa" campaign to focus attention on the future of Iowa public school students and to rally support for investments in public

education. Iowa's future leaders, innovators and citizens are its children. They are "The Promise of Iowa." Their future is created every day by Iowa public schools.

Iowans have an enduring commitment of support for public education and its connection to developing the potential of our young people, strengthening our communities, and contributing to our economy. Public education is such a core value in our state that "Foundation in Education" is even the centerpiece of our state quarter!

HOW TO JOIN IN TO SUPPORT:

Alumni: Share your support on social media using #ThankYouIA along with a photo of you in your Alumni gear, with your diploma, or better yet - attend the Graduation ceremony!

Parents: We want to help you commemorate this special day and celebrate your graduates. Use this toolkit to #ThankYouIA for Iowans' investment in public education and celebrate your public school graduate with a "Proud Parent of an Iowa Public School Grad" social media graphic!

Future 2017 Alumni: Upload a selfie in your grad cap and gown and use the hashtag #ThankYouIA to help thank Iowans for their investment in public education.

And They're Off....CEF Participates in Celebrate CB Parade

Saturday, May 20th marked the annual Celebrate CB Parade. The Community Education Foundation participated with a float themed, "And They're Off" as part of the overall theme of "Just Getting Started". Kids & Company students and STARS Scholars and families braved the weather as part of the parade entry. Student "Jockeys" saddled up and raced toward their future educational goals.

Even the CB Streets direct to our favorite school age child-care program!
